

SG Travel Services

With over 30 years experience working in the Alps, SG TRAVEL Services is well placed to offer advice, assistance and local knowledge. We provide support services for Tour & Travel Operators with established programmes into the French Alps and operators wanting to set up in this lucrative arena. Ski travel is, despite the economic downturn, a growing sector of the travel & leisure industry, with new markets opening up each year, and the French Alps is the number one destination for international skiers, attracting major market share from across the world.

SG Travel Services provide classic ground handling services:

-

Transfer and Meet&Greet

-

In resort representation

-

Contracting & Supplier relationship management

-

Emergency Services back-up and administration services, including 24hr Emergency Call.

-

Imagery & Photography and copywriting.

-

Web-hosting, web-design, website optimisation and website translation services

If you are a travel organisation interested in bringing the French Alps to your marketplace, let us help you to put together the programme that is going to hit your target figures.
